

FISHING

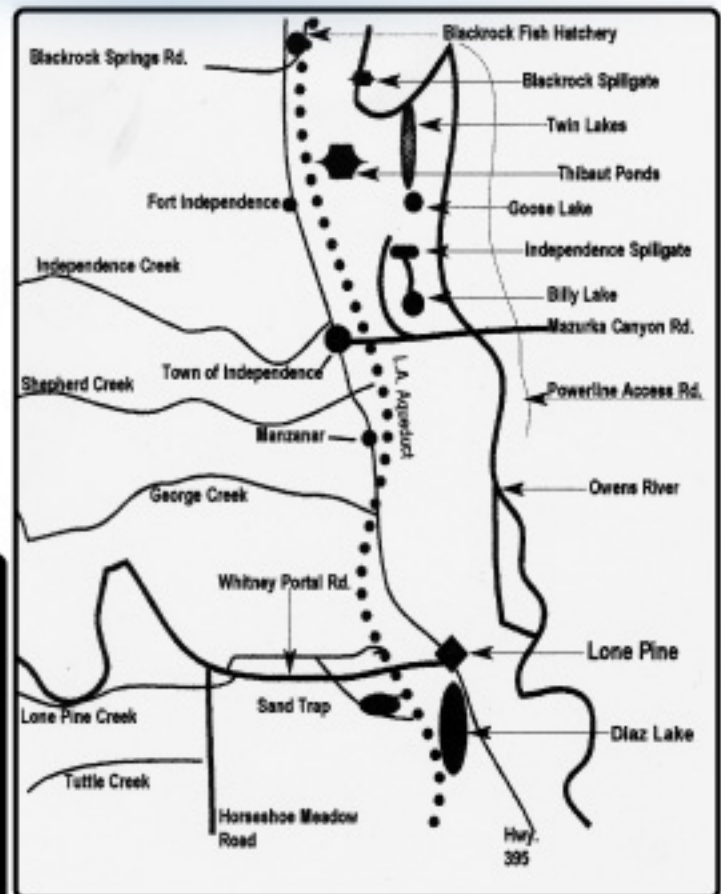

The Fishin ' Is FINE!

Lone Pine opens it's trout season approximately two months earlier than anywhere else in the Eastern Sierra. It is kicked off with the Early Opener Trout Derby on the first Saturday in March.

Our streams and lakes are stocked regularly by the California Department of Fish and Game with Rainbow and Brown Trout.

Try a pack trip or hike into the Golden Trout Wilderness Area where you will find beautiful Golden Trout. Some of these areas require permits. Please call the Lone Pine Chamber of Commerce for more information at (760) 876-4444.

Lone Pine also offers year round fishing at Diaz Lake, Haiwee Reservoir and along the Owens River. Come and enjoy the out of the way streams and ponds where you can fish for not only trout but bass and catfish too!
